## SUNDAY SCHOOL CONVENTION

State Association To Meet At Lexington On October 20th To 23rd, 1914

### OVER ONE HUNDRED SPEAKERS

An Excellent Program Has Been Prepared and Large Attendance Expected—Roll Call of Counties Will Be Interesting Feature and Every County Should Be Represented.

Louisville, Ky.—(Special).—It would not be possible for us to give space for the entire program of the State Convention of the Kentucky Sunday School Association which will be held in Lexington Oct. 20-23, as it extends over four days, with more than twenty sessions and over one hundred speakers. Every one who is connected with the Sunday School will find something of interest, something to instruct and help. The pastor, the superintendent, the teacher and the pupil will all find something of special value. Tuesday afternoon will be given to Conferences as will also Thursday afternoon. Tuesday night there will be the welcome address by Bishop Lewis W. Burton of the Protestant Episcopal Church, followed by addresses from the President, Chair-

Nannie Lee Frayer on "The Challenge of Young Life to the Sunday School," and one by Prof. J. T. Coates on "The Possibilities of the Country Sunday School." The music will be in charge of Prof. C. F. Croton, Director of Music in the Lexington Public Schools, who will be assisted by a large choir and orchestra.

There will be no free entertainment, but the committee will make arrangements with the hotels and boarding houses for the lowest rates possible. For information with regard to boarding write to Mr. Bruce Davis, Lexington, Ky. For railroad rates see the agent of your railroad several days before you expect to start. For program and further information write to the Kentucky Sunday School Association, 712 Louisville Trust Building, Louisville, Ky.

#### GREAT PREPARATIONS MADE.

Louisville.—It has been eleven years since Lexington had the honor of entertaining this convention and these years have formed a period of unusual development in the Sunday-school world. There have been many new Sunday-schools organized, most of the schools have grown largely in the number of people enrolled. The schools have become better organized and have added many new departments. The Teacher Training Classes, the Organized Adult Classes, the Organized Teen Age Classes, the Home Departments and the Cradle Rolls have all developed into departments of the Sunday-schools during these years and each will have an important place on the program.

One of the interesting features of the State Convention of the Kentucky Sunday School Association to be held in Lexington, Oct. 20-23, will be the roll call of counties.

#### Sale Postponed.

The sale of Mr. Bijou White, which was recently advertised in these columns, has been postponed until the 4th day of November.

#### New Hotel For Danville.

At last Danville is to have a hotel. It is to be erected by the Weisinger interests, who plan to have it completed by the early spring. Captain Brinton B. Davis, of Louisville, has been employed as architect, and he is now working out the plans in detail. It is to be a four story brick structure, modern in every department.

#### Captain McCoy Will Edit The Jackson Times.

Captain J. L. McCoy, of Lexington, has bought John T. Hindman's half interest in the Jackson Times and has leased the other half from R. C. Musick and will in the future be its editor and publisher. Captain McCoy is a widely known Republican and has had experience in newspaper work, and we have no doubt he will make a success with the Times.

#### Beattyville Progressing.

Beattyville will soon be lighted by electricity. A stock company has been incorporated under the firm name of the Beattyville Utilities Co., with a capital stock of \$10,000 for the purpose of installing an up-to-date electric lighting system in that city. The work has begun in earnest and the citizens are very enthusiastic over their progress.

#### New Presbyterian College Dedicated.

The new Stewart Robinson College at Blackie, Ky., a Presbyterian college established for the benefit of the poor people of the Eastern Kentucky mountains, was dedicated Thursday, October 8th. President Henry S. Barker, of State University, and Dean C. J. Norwood took part in the dedication. The institution was established through Doctor Edward O. Guerrant, of Wilmore, as a result of his devotion for the people of the mountains.

#### Lancaster in Trouble.

Last Monday night the dividing wall between the two boilers at the water works plant at Lancaster fell in and practically put both boilers out of commission. This made it necessary to cut off the water for about a week to make repairs.

#### Fire at Jackson.

On last Tuesday evening about 6 o'clock fire broke out in Jackson in the property owned by Judge H. F. Davis, and before the flames could be extinguished many buildings and much property were destroyed, estimated at about \$15,000.

#### Get Ready For Oct. 17.

Col. Asa Martin, the Lexington weather prophet, says the first snow of the season will fall on Saturday, Oct. 17th. Col. Martin has quite a reputation as a successful forecaster of the weather and there are many who are preparing to see this prophecy come true.

#### A Prize Winner.

Miss Myrtle Dalton, who is teaching at Forest Hill, this county, was one of the successful contestants at the recent Institute held at the Normal. She won on the best beaten biscuits a 50-pound sack of flour, offered by the Zaring Grain & Mill Co., and also a set of tools offered by Oldham & Harber. Miss Dalton is one of the most efficient teachers in the county.

#### Church Banquet.

Thursday night Mr. Turley's men, who compose a Bible class in the Sunday-school of the First Christian church, gave a very delightful banquet in the parlors of the church. A spirited contest had been on between the reds and the blues, and it was agreed that which ever side was defeated should serve a supper to the victorious side. About 80 gentlemen were present at the banquet and many of them responded to toasts—Hon. J. M. Benton, Hon. W. B. Smith, C. C. Wallace, R. E. Turley, L. P. Evans, G. E. Lilly, Prof. Roscoe Gilmore Stott and Dr. E. G. McDougle.

The blues won the victory, but they released the vanquished reds from serving the supper, and all were seated at the tables and enjoyed a most agreeable hour.

The ladies of the church served the supper, which was most appetizing, in their usual gracious way, and to these good women goes much of the credit for the success of the church.

#### Journalistic Wedlock

The Climax and The Madisonian, newspapers published at Richmond, were recently united in fraternal and hyphenated journalistic wedlock, and hereafter will be known as the Climax-Madisonian. Hon. Grant E. Lilly, editor of The Madisonian, and Dr. W. G. White, editor and business manager of the Climax, were present at the marriage, while Basil Duke Gordon will attend to the household duties in the home of the Climax-Madisonian.

The Climax is an old, established and influential newspaper, while The Madisonian was one of the sprightliest youngsters in the Kentucky journalistic field.

Hon. G. E. Lilly will be the editor-in-chief and Dr. W. G. White will attend to the collections and advertising department of the combination.

May the journalistic hyphenization, with sails flung to the breeze, float calmly down the stream of journalistic matrimony, gathering and building bubble, of lasting fame.—Wilmore Enterprise.

#### HEARD IN RICHMOND

#### How Bad Backs Have Been Made Strong—Kidney Pills Corrected.

All over Richmond you hear it. Doan's Kidney Pills are keeping up the good word. Richmond people are telling about it—telling of bad backs made sound again. You can believe the testimony of your own townspeople. They tell it for the benefit of you who are suffering. If your back aches, if you feel lame, sore and miserable, if the kidneys act too frequently, or passages are painful, scanty and of color, use Doan's Kidney Pills, the remedy that has helped so many of your friends and neighbors. Follow this Richmond citizen's advice and give Doan's a chance to do the same for you.

Mrs. L. H. Todd, 128 Big Hill avenue, Richmond, Ky., says: "I felt all run down and was in need of a kidney medicine when I heard of Doan's Kidney Pills. I got a supply at Middleton's Drug Store, and they made me feel better and stronger in every way."

Mrs. Todd is only one of many Richmond people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Todd had—the remedy backed by home testimony. 50c all stores.
